Subject: FW: AMA Sanction Request

Hi Amy,

I have discussed the SWRA waiver request with Jerry Widmer and approved the modified waiver format as described in the attached Word file. Please place this document on file as an amendment to the existing waiver for SWRA (Scale Warbird Racing Association) style racing in District X.

Accept as otherwise specifically stated in the attached amendment, all previously established safety guidelines for this event remain in place.

Rich Hanson, VP  
AMA District X
